

Child Protection Policy

Racing 795 is fully committed to safeguarding the well being of its members. Every Individual in the Club should at all times show respect and understanding for their rights, safety and welfare and conduct themselves in a way that reflects the principles of the club and the guidelines contained in the Code of Ethics and Good practice for Children's Sport.

To ensure that the best practice is followed by this club we shall work closely with Triathlon Ireland and Cycling Ireland, our Governing Bodies. In order to promote the best practice in children's sport, we shall comply with the guidelines of the Code of Ethics and Good Practice for Children's Sport; as set out in Section 2.7:

- adopt and implement the Code of Ethics and Good Practice for Children's Sport as an integral part of our policy on children in the club
- have the constitution approved and adopted by club's members at an AGM or EGM
- promote the voice of the child, in particular through meetings and the AGM. One parent/guardian should have one vote for all their children under 18 years of age, where relevant.
- ensure that the Club Management Committee is elected or endorsed by registered club members at each AGM
- adopt and consistently apply a safe and clearly defined method of recruiting and selecting Sports Leaders
- clearly define the role of committee members, all Sports Leaders and parents/guardians
- appoint at least one Children's Officer as outlined at 2.8.1 in the Code of Ethics. As the club caters for both boys and girls, one Children's Officer of each gender would ideally be appointed
- have a Designated Person to act as liaison with the Statutory Authorities in relation to the reporting of allegations or suspicions of child abuse. Any such reports should be made according to the procedures outlined in this Code.
- ensure best practice throughout the club by disseminating its code of conduct, including the disciplinary, complaints and appeals procedures in operation within the club to all its members. The club's code of conduct will be made available through the website.
- have in place procedures for dealing with a concern or complaint made to the Statutory Authorities against a committee member or Sports Leader or other members of the club. Regulations should stipulate that a Sports Leader who is the subject of an allegation, which has been reported to the Statutory Authorities, should stand aside, while the matter is being examined. *S/he should be invited to resume full duties when and if appropriate internal disciplinary procedures are completed*
- ensure that relevant Sports Leaders report to the Club Management Committee on a regular basis
- encourage regular turnover of committee membership while ensuring continuity and experience
- develop effective procedures for responding to and recording accidents
- ensure that any unusual activity (high rate of drop-out, transfers, etc.) is checked out and reported by the Club Chairperson to the Governing Body of Sport
- ensure that all club members are given adequate notice of AGMs and other meetings
- ensure that all minutes of all meetings (AGMs/EGMs/Committee) are recorded and safely filed

Role of Children's Officer

Children's Officers should review current policies in relation to young people, check that all activities are safe and fun, and inform adults of how to deal with any concerns that may arise in relation to the protection of young people.

- Keep records on each member on file, including junior members, their contact numbers, and those of their Parent or Guardian and any special needs of the child that should be known to leaders
